SHELTON STATE

*The Experience of A Lifetime
For A Lifetime of Learning*

Shelton State Community College is ready to help you meet your highest goals. Study and train in state-of-the-art classrooms and laboratories. Work with master teachers who will help you build the confidence to succeed. Explore the connections between technology and academics in a truly comprehensive learning environment. Come make your place in the twenty-first century. Shelton State can provide you with the tools and knowledge you want for the job. Our technical programs are designed to equip you for the world of work in a career for the future, and our academic courses give you a strong foundation for further study in the arts and sciences, business, education, and the allied health fields. You may choose one of Shelton State's excellent nursing programs or work out a career in Sports Fitness Management in our Wellness Center. Build your *KNOWLEDGE*, build your *SKILLS* and build your *FUTURE* at SHELTON STATE. Discover your possibilities at SHELTON, Alabama's new *Flagship Community College*.

Reaching

For The

Stars!

TECHNICAL PROGRAMS

Technical training means more employment opportunities for Shelton State students. Experts have estimated that 60 to 70% of the new jobs created in Alabama during the next decade will require workers to have a background in one or more technical fields. The technical programs at Shelton State are designed to give students the skills they need for future success. As West Alabama becomes a major center of manufacturing in the southeast, Shelton State will provide the training students must have to compete for the best jobs. Call the Counseling Center at (205) 391-2232 for more information, or to set up a visit with one of our technical instructors. Come see, firsthand, where the world of technology is going; then join us at Shelton State.

FINANCIAL AID

If you need financial help to continue your education, Shelton State participates in several financial aid programs including Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), Federal Work-Study Program, Displaced Homemaker/Gender Equity Program, Job Training Partnership Act (JTPA), Vocational Rehabilitation Service, Alabama Student Assistance Program, VA Benefits. Students must complete the *Free Application for Federal Student Aid* (available through your high school counselor or from the Financial Aid Office at Shelton State). You should complete this form as soon as possible, and you must complete a form *each year* you wish to be considered for financial aid. The College also offers academic, technical, fine arts, and Ambassador scholarships, as well as scholarships sponsored through the Shelton State Foundation. If you have any questions, call the Financial Aid Office at (205) 391-2218.

COST

Shelton State has established itself as the best educational value in West Alabama. We offer our students modern facilities and excellent instruction at an affordable price. Whether you are beginning your training in a technical field, retraining for a new career, or working toward an Associate Degree in one of our college transfer programs, you won't find a better investment for your future.

ATHLETICS

Varsity sports play an important part in campus life at Shelton State. The College fields competitive teams in men's and women's basketball, men's baseball, women's softball, men's golf, and women's soccer. Come join the winning tradition at Shelton State. For game schedules and more information, call (205)391-2234

ASSET

Incoming freshmen are required to take the ASSET placement test before registering for the first time at Shelton State. The ASSET measures a student's skills in reading, writing, and mathematics, and allows our academic advisors to place individuals in courses where they can succeed. Students who have scored 20 or better on the English and/or Math portions of the ACT are not required to take the corresponding section(s) of the ASSET; however, students must supply a copy of their ACT scores to the College's Testing Coordinator. If you have questions about the ASSET, please call the Counseling Center at 391-2232.

TRANSFER OF CREDIT

The majority of the academic courses offered by Shelton State can be transferred to other community colleges, as well as to four-year institutions in Alabama and around the nation. Shelton State was the first community college in Alabama to adopt a semester system for classes, allowing students to transfer credits more easily to major universities and colleges. Also, students can earn an Associate Degree at Shelton State in one of many academic disciplines and then complete their studies for a bachelor's degree at the college or university of their choice.

CONTINUING EDUCATION

Learning is a lifetime's work, and the Division of Continuing Education at Shelton State offers a variety of classes designed to help you meet your professional goals or just satisfy your curiosity. You can sharpen your computer skills, learn techniques for organizational leadership, gain the knowledge and expertise your small business needs to survive and thrive, get a grip on your personal finances, learn to dance, or get in shape - and these are just some of the educational opportunities Shelton has to offer. To find out more, call (205) 391-2316.

NEW CAMPUS TOURS

We want you to see what's new at Shelton State. Tours of our new campus on Old Greensboro Road are given every Friday morning at 10:30 am. Visit these state-of-the-art facilities and meet the instructors and students in our technical and academic programs. To make a reservation or for more information, call us at (205) 391-2234.
